Sak: Presentation of the activities of the user groups and of their need for space.

Background:

The parish council has initiated a survey of the needs that the various activity groups in the parish have for space, equipment and storage in connection with their activities. All user groups listed above under "In attendance" and "Absent" had been summoned to the meeting.

Preliminary conclusion:

The various user groups presented their activities and their needs. The presentations will be detailed in a separate document after they have been quality-assured and supplemented in a dialog between the group representatives and the secretary of the parish council. The document will be used by the parish council in their work as of the autumn of 2017.
